Dear Sirs

Enclosed please find an order issued by Brig Gen'l Mouton Confederate States Army. It proves conclusively how patriotic are the so called Chivalry.

I might be interesting to the readers of this post if I drop off my name as I should come to see it in print unless as honorably mentioned.

Need not be surprised if you hear of somebody being hurt down here. The rebels are very close. Expect an attack in 4 hours – daylight.

Yours sincerely,  
Matthews
