Savannah, Ga., May 13 1865.

My dear Friend

I came across an unusually fine brand of segars yesterday, ie fine for this, and as I find a good opportunity to send you a box, I beg you will accept them and smoke them.

I will try and write by this mail. I am going to Augusta tonight and tomorrow morning with the General. Will send you Augusta papers.

With best wishes for yourself, Bro, and family  
I remain  
Very sincerely  
Oliver Matthews
